Medical Fitness to Drive Reporting Form for Physicians

Driver Information

Name:

Residence Address:

Mailing Address:

Physician Information

Based on my examination of the above-named driver, I recommend that this driver's license:

- Be suspended permanently
- Be suspended pending further medical examination:
 - by a geriatrician
 - at the NS Rehab Centre Driving Evaluation Program/DriveABLE
- Be suspended pending the successful completion of a driver's examination with your department
- Be allowed to retain their driving privileges but must successfully complete a re-examination with your department in 60 days
